

WHO ARE WE?

Somersworth Youth to Youth is a group of students who are actively working to tackle the problem of drug and alcohol abuse in our community. We come from all types of backgrounds, with one thing in common:

WE CARE ABOUT OUR COMMUNITY

We believe drug-free community events help us accomplish our goals, and give us a chance to connect with the community. You'll often catch us running some cool activities!

Above is a photo of us at National Night Out!

Empowering students to create a healthy, drug-free community.

Youth to Youth is a program of the

This brochure was developed [in part] under a grant (#020829) from the Office of National Drug Control Policy and Substance Abuse and Mental Health Services Administration, U.S. Department of Health and Human Services. The views, policies, and opinions expressed are those of the authors and do not necessarily reflect those of ONDCP, SAMHSA or HHS.

SOMERSWORTH PREVENTION COALITION

SOME ACTIVITIES...

- Sticker Shock: We go to local alcohol retailers and put warning stickers on EVERYTHING... okay mostly just beer.
- Samantha the Skunk: We dress up in costumes and teach the little cuties at the elementary schools about safety with medicine and tobacco
- Community Events: We are often at local events interacting with community members... we like to paint faces... a lot.
- Changing Policies: Yeah, sometimes we like to write ordinances (local laws), or go to Concord to advocate for certain RSAs (state laws), because we know that policies can have a huge impact on substance use
- On the Radio: We love to record educational PSAs and share our beautiful voices with the world

WHAT WE DO

We participate in a WIDE variety of activities throughout the year to promote education and healthy activities in our community. Every year students and advisors collaborate to find new direction and projects that they want to work on.

"Always creating positive change while engaging with our community in fun ways!"
